

AMERICAN HEROES DAY May 22, 2020

For the past 14 years, the Ward Burton Wildlife Foundation (WBWF) has hosted an annual event to honor the men and women who have bravely served, or are actively serving, in the military. Each event consists of outdoor activities, networking, lots of food and drink, and camaraderie. Seventy-five veterans participate in the event, and are assisted by volunteers in many capacities to ensure an enjoyable day.

This event can be therapeutic for anyone with challenges as a result of serving their country. The friendly competitions in fishing, archery, targets and clays give participants a chance to showcase their skills and contend for some great prizes. The goal is to foster a positive impact on the lives of the attending heroes and leave them with a renewed love for the environment and their surroundings.

American Heroes Day will take place at the WBWF property, known as the "Cove" which is located in Clover, Virginia, and consists of breathtaking landscape and wildlife habitat. After an action-packed day, each veteran leaves this event with a bag of useful items made possible by the many sponsors and vendors who choose to support this event.

If you are a veteran or actively serving in the military, you are eligible to attend. Priority will be given to those who have not attended past events. Call 434-476-7038 or email your name, address and contact information to us at sue@wardburtonwildlife.org to get your name on the list for 2020. You will be notified in early May if your name is selected to attend. We look forward to hearing from you.
